[redacted]

Dear [redacted]

I refer to your letter concerning your mother, [redacted] who is residing at the People's Temple Agricultural Community in Guyana. I have requested the local representatives of the People's Temple to contact your mother and have her telephone you. I hope you will be hearing from her in the near future.

I believe I met your mother when I last visited the agricultural community in January. On that occasion I had the pension checks with me and I am certain your mother was one of those who I gave the check to personally.

I trust the above information is helpful to you. Please accept my best wishes.

Sincerely,

Richard A. McCoy
American Consul
